<p>REFS: A. HMT 10, 210 B. Book Dispatch 6900, 11 March 1969</p> <p>1. While under contract to JKLANCE from 1968 to February, 1970, LIMUFF/1 accumulated nine creditable quarters under the Social Security Administration (SSA) system. Eight quarters were accumulated under true name but have not yet been transferred to SSA. One quarter credited under alias is already posted in the SSA per Ref. B. With Station approval, Headquarters intends to transfer the eight quarters accumulated under true name to SSA and have simultaneously the one quarter under alias merged into the true name account through the intercession of a cleared SSA contact. LIMUFF/1 would be identified as LIMUFF/1's employer for all nine quarters, and his SSA account will not show any JKLANCE interest or connection. The advantage of this procedure is that after all creditable service and contributions have been recorded in SSA, LIMUFF/1 can correspond directly with SSA on any questions he may have as to the amounts he is entitled to, etc. JKLANCE will be cut out except if LIMUFF/1 should have any questions on the amount of credit he earned during his JKLANCE service. In this case, he would have to contact the Station for forwarding his questions to Headquarters and resolution with appropriate SSA contacts.</p> <p>2. Following Station action is therefore required:</p> <p>a. Notify Headquarters that no objection exists to the transfer outlined in para 1 above;</p> <p>b. AGENT EVALUATION

24 August 1967

1. Name (P): LIHUFF/I
2. Project : LIHUFF
3. Overt Job Title: Manager of Large Association.
4. Covert Job Title: Contract Agent.
5. Job Description : LIHUFF/I is a contract agent who is in touch with and reports on a right-wing student organization and its activities. He also reports on a Mexican organization which sponsors the publication of a right-wing economics (monthly) journal; he has contact with a sub-agent (LICHANT/I) who is employed by both the Ministry of Education and the Mexican Social Security Institute. In addition, he is able by virtue of his overt employment, to get Dun and Bradstreet credit and other checks on business firms...American, Mexican and others. He is in contact with other right-wing organizations and individuals and has good contacts with Catholic Church authorities in Mexico.

6. Evaluation:

- a. Performance of Above Duties without Prejudice to Either One.

There is no real conflict of interest with regard to LIHUFF/I's work with WOFACT. He works only part-time for WOFACT; his overt employment gives him excellent cover for the work he does for WOFACT.

- b. Attitude towards WOFACT, Cover Organization and Present Assignment.

LIHUFF/I is a great admirer of WOFACT. He is anxious to do any assignment given him; he is grateful for the extra income (although small) which the WOFACT job gives him. He is very pleased with his present assignment, loves working for his cover organization.

- c. Security and Discretion.

LIHUFF/I has had years of work of the WOFACT type. He did the same type of work during World War II in China; has been associated with WOFACT (under unofficial cover and in contract status) in Panama and in Mexico. He is very security-conscious and discreet about his association with WOFACT and about his work with this organization.

In response to Reference A, the Station notified Headquarters in Reference B that the \$500 monthly subsidy to the LIRANCH student organization would cease as of 30 April 1966. Headquarters believed that the April subsidy payment reported in Reference C and charged to Project LIRANCH was to be the last payment.</p> <p>2. However, in both References D and E, subsidy payments of \$500 were again given to the LIRANCH student organization for the months of August and September. These expenditures were charged to LIRLISP-X. The most recent renewal requests for Projects LIRANCH and LIRLISP-X do not contain provisions for this subsidy. In reference the Station indicated that unless reference Identity D succeeded in gaining an important ministerial post in the new Diaz Ordaz government, the benefits to be derived from the Cecil B. To date, as far as the Station is aware, reference Identity D has not been appointed to any Cabinet or sub-ministerial position. Further, there is no indication that former President Aleman intends to re-activate the <u>Frente Civico</u> into a movement which would be of MHSPAWN interest at this juncture.</p> <p>3. ARLISS has accordingly been instructed to phase out the contact with reference Identity B and the <u>Frente Civico</u> upon his return from his U.S. trip in January 1965. Before his departure ARLISS gave reference Identity B an advance of 4000 pesos to cover the two regular monthly payments of 2000 pesos each for December 1964 and January 1965. The Station should adhere rigidly to the limitations on LIHUFF's salary and the support for student activities. As also indicated in Ref B, Headquarters has allocated an additional \$30,000 to Project LILISP-X for FY64 bringing the total to \$82500. The Station is also requested to submit to Headquarters, not later than 1 June 1964, an up-dated assessment of the LIHUFF operation. If at that time the Station wishes to present a revised project for fiscal year 1965, your recommendations should be submitted with the reassessment.
